OSI Food Solutions Spain Honored with MC Mutual “Antonio Baró” Prize

Awards event recognizes good business practices in occupational health and safety

Toledo, Spain, November 8, 2017 – OSI Food Solutions Spain was recognized by MC MUTUAL at its awards ceremony held on November 7th. The MC MUTUAL Antonio Baró Prizes for the Prevention of Occupational Hazards are presented annually to distinguish organizations that develop effective policies to protect their workers and improve their working conditions.

OSI Food Solutions Spain was awarded a prize in 2016 and again in 2017. This showcases that OSI Food Solutions Spain consistently demonstrates ethical business practices in health and safety.

The awards go back to the year 1993. Originally named the “Wings Awards,” in 2002 the organization changed the name of the awards to honor Antonio Baró, who was the president of the company for 14 years, from 1987 to 2001. The award is named after him due to his profound dedication and service to the company.
